Date.....

01 July 2021

Dear Parents and Students,

A very good morning to each one of you.

This is to inform you that keeping the COVID 19 Situation in mind and being sensitive to the difficult economic state of the parents, the School Management has decided to charge only 85% of the total fees of the session 2019-20 for the current academic session 2021-22 also.

Those who have paid extra in the first instalment, the extra amount will be adjusted in the following instalments.

I'm happy to see the enthusiasm of students in online learning. I am also happy to see the teachers upgrading teaching technology and using electronic Interactive Board for teaching.

It's wonderful to see many students taking lot of interest in various online activities and competitions.

May God bless each one of us with good health and happiness; stay home, stay safe. Make your home a heaven with your laughter and joy.

Fr. Thomas Maniparambil
Principal
