

## **ANNUAL REPORT**

- **School Name:** - St. Anselm's Pink City School
- **Address:** St. Anselm's Pink City School

111, Malviya Nagar, Jaipur - 302017 (Raj.)

- **PHONE-** 0141-2520240 0141 - 6768784
- **Mail:** [anselmjpr@gmail.com](mailto:anselmjpr@gmail.com)
- **Affiliated to CBSE Affiliation No.** -1730064
- **Period of affiliation-** 01.04.2024 to 31.03.2029

- **School Infrastructure**

The school is proud of its well -planned and student -friendly infrastructure that supports effective teaching and learning. The campus is spacious, safe and designed to provide a stimulating environment for academic and co-curricular growth.

The school building houses well-ventilated, well-lit airconditioned classrooms equipped with smart boards and modern teaching aids. Well-equipped science laboratories for Physics, Chemistry, and Biology along with a computer laboratory with internet connectivity, enable students to gain hands-on learning experience.

To promote reading habits and independent learning, the school has a well-stocked library with a wide collection of books, reference materials, journals, and magazines.

The school also provides excellent facilities for sports and physical education, including playgrounds and indoor games facilities. There are separate rooms for music, dance, art, and craft that help nurture creativity and talent.

- 1. Total campus area of the school (in square metre)- 17687**
- 2. No. and size of class rooms (in sq. metres)- 70 (57 sq. metres)**

- 3. No. and size of laboratories including computer labs (in sq. metres)-  
06 (90 sq. metres.), A.I. Lab**
- 4. Internet facility (yes/no)- yes**
- 5. No. of girl's toilets-35**
- 6. No. of boy's toilets-35**
- 7. New Hall, Auditorium**

- **Academic activities**

The school is committed to academic excellence and intellectual growth.

Regular classroom teaching is supplemented with-

1. Smart classroom learning.
2. Subject enrichment activities.
3. Periodic assessment and remedial classes.
4. Olympiads, Quizzes, debates, and seminars.
5. Science, Exhibitions, and project-based learning.
6. Art and craft exhibition to promote creativity in the students.
7. Music, dance, and yoga in school fosters holistic development by strengthening cognitive skills, enhancing physical health, and promoting mental tranquillity.
8. Regular value education classes to instil moral values.
9. Field trips to enrich the practical skills of the students.

- **Environment Education**

Albert Einstein rightly said, "Look deep into nature, and then you will understand everything better".

Environmental education is an integral part of the school curriculum and aims to create awareness and responsibility towards the environment among students. Environmental concepts are integrated across subjects and

reinforced through project work, discussions, and activity-based learning according to the C.B.S.E. guidelines.

The Eco club of the school under the able guidance of its teachers promotes a love for environment by organising various activities.

- **Hands on gardening experience:**

Students learnt to make seed balls and used them during the rainy season to increase greenery in the surroundings. They also engaged actively in plant identification, ploughing, and learnt essential gardening skills. They explored organic gardening practices by preparing natural insecticides and fungicides using neem and turmeric, promoting eco-friendly and chemical free methods. Bottle planters were presented to teachers on Teachers' Day as a token of appreciation and environmental responsibility.

- **Environmental awareness and sustainability:**

To strengthen environmental awareness, students participated in compost preparation from kitchen waste and projects based on reduce, reuse, and recycle were initiated.

The school organized a Paper Recycling Project to reduce waste and promote environmental awareness among students. The main objectives were to collect and recycle waste paper, teach students about sustainable practices, and reuse recycled paper for school activities. Through this initiative, over 500 kg of paper was recycled, and students gained valuable knowledge about recycling and its importance. The recycled paper was used for art and craft projects, demonstrating practical reuse. The project successfully encouraged eco-friendly habits and showed students the value of recycling in daily life.

- **Campaigns organised:**

Campaigns like 'Say no to polythene' and 'Say no to crackers' were also organised to promote sensitivity amongst the students. Apart from this the students were taken on nature visit to Nahargarh biological Park to understand the importance of wildlife conservation. A visit to Oilitia Olive Farm was organised to help students gain insight into organic and sustainable living.

The Eco club of the school remains committed to the belief that small steps lead to a greener future.

The school took part in the Wipro Earthian Project, which promotes environmental awareness and sustainability. Students from Class 8 explored topics like water conservation, biodiversity, and waste management through research and fieldwork. They prepared reports and presentations on local environmental issues and suggested eco-friendly solutions. The project helped students understand real-world environmental challenges and inspired them to adopt greener habits.

- **SBI SCHOLAR QUIZ 2025**

SBI SCHOLAR QUIZ 2025 was organized by State Bank of India and The Times of India for classes 9<sup>th</sup> to 12<sup>th</sup> on 30<sup>th</sup> April 2025 at Rukmani Birla Modern High school. Four of our students

Team 1: Sejal Ranka and Aayush Jain

Team 2: Parul Kalra and Ishaan Gautam

Participated in the quiz under the guidance of Mrs. Rachna Bhargava ma'am. All four of them showed great teamwork and brilliance

Team 1 – Aayush and Sejal cleared the written prelims round and were selected among the top 6 teams among 85 teams from different schools all over Jaipur. In the further rounds the team secured 5<sup>th</sup> position. They were awarded by a certificate of merit by the organizers SBI Scholar Quiz provided a valuable

platform for our students to challenge themselves, gain exposure and experience learning beyond the classroom.

- **Viksit Bharat Buildathon 2025**

On 13th October 2025, students of St Anselm's Pink City School, Malviya Nagar, Jaipur proudly participated in the 'Viksit Bharat Buildathon 2025', a prestigious national-level initiative aimed at inspiring young minds to contribute innovative ideas and technological solutions towards building a self-reliant and progressive India.

- The event brought together schools, colleges, and youth innovators from across the country to showcase their creativity, problem-solving skills, and vision for India's holistic development. The Buildathon served as an excellent platform for students to design and present prototypes, digital applications, and models addressing real-world challenges in diverse sectors such as education, environment, healthcare, infrastructure, digital governance, and sustainability.
- Our school team displayed exceptional enthusiasm, teamwork, and innovative thinking throughout the competition. The participation was enthusiastically guided and mentored by Mrs. Rachna Bhargava, whose constant motivation and insightful guidance helped students refine their ideas and presentations. The students also had the opportunity to interact through a live YouTube session, where they shared their innovative concepts and gained valuable insights from other participants and experts.
- The students confidently presented their ideas and demonstrated a deep understanding of the theme "Innovation for Nation." Their participation reflected a perfect blend of creativity, critical thinking, and a passion for contributing to the nation's growth through science and technology.
- The students of class 11 participated in the competition and presented their business idea named PEELCHEMY. The students gave the idea to create

eco-friendly skin care products using fruit and vegetable peels. Its mission was to promote sustainability and reduce food waste.

- A team of five students from Class 12 presented their project, SCRAPULOUS. It was an innovative idea which aimed to collect household scrap materials, recycle them into usable products, which they would sell in the market.
- Overall, the participation of St Anselm's Pink City School, Malviya Nagar in the Viksit Bharat Buildathon 2025 was a moment of pride, underscoring the school's commitment to nurturing future innovators.

- **Sports**

Our school places a great emphasis on sports and physical education as an integral part of holistic development. The school encourages regular physical activity to promote fitness, discipline, teamwork and sportsmanship among students. The school has a spacious playground that provides excellent facilities for outdoor sports such as football, cricket, basketball, volleyball and athletics. Indoor facilities are available for games like table tennis, chess and carrom. The school is proud of its shooting range where under the able guidance of trained instructors, the students are introduced to the fundamentals of target shooting.

Qualified and experienced physical education Instructors guide students through regular training sessions, drills and fitness programs. Summer camps are organised for the students during the holidays to provide them coaching in different sports. Students are encouraged to participate in inter-house, inter-school, district and state level competitions where they have consistently demonstrated commendable performance. Special emphasis is laid on yoga and meditation for physical and mental well-being of the students. Through structured sports programs and active participation, the school aims to instil a lifelong love for fitness and a sense of discipline among the students.

- Two of our students Swastika Tanwar of class 10<sup>th</sup> B and Krisha Singh of class 8<sup>th</sup> E secured bronze medals in the SGFI district Athletics championships. Swastika Tanwar in the 400 metres and Krisha Singh in the Short put events.

- Vanshikaa Sharma of class 12<sup>th</sup> D secured bronze Medal in the SGFI district Karate Championships.

- Harika Alag of class XII C participated in National Games held in Uttarakhand. She secured one gold, three silver and one bronze in Senior state swimming championship held at Bharatiya Vidya Bhavan Vidyashram School, Jaipur. Won three gold and two silver medals in Junior open State Swimming Championship. Individual champion with three gold medals for swimming in SGFI state tournament. Participation in Open Junior National Swimming Tournament with all India rank 10.

- Aadya Dubey of class VII C qualified for SGFI 10 Mt. air rifle event, Bhavana Singh of class XI F qualified for SGFI softball event and Rajat Poonia Class VII F qualified for SGFI Football event

- **INTER-SCHOOL ACTIVITIES REPORT (2025–26)**

“Education is not only about books, but also about building character and confidence.”

Inter-school activities form an essential part of a student’s school life as they contribute significantly to the development of confidence, teamwork, and a spirit of healthy competition. By participating in such activities, students get opportunities to explore their talents, improve communication skills, and learn the values of discipline and cooperation. These competitions also promote healthy rivalry and mutual respect among students of different schools.

Keeping these objectives in mind, our school enthusiastically participated in various inter-school competitions during the academic session 2025–26. Under the able guidance of Rev. Father Paul Pulickal, the teachers, and with the constant support of the management, our students took part with great zeal and determination and achieved remarkable success in several events.

#### Achievements and Participation

1. Inter-School Quiz Competition – “Sustaina Quest: The Future Challenge”

Held at St. Anselm’s Senior Secondary School, Chomu Among several participating schools, Ishaan Gautam (Class XII F) and Shashank (Class XI A) secured the First Position. They were awarded a trophy and a cash prize of ₹10,000 for their excellent performance.

2. Inter-School Literary Fest Competition – 2025 Held at St. Angela Sophia School, Ghat Gate, Jaipur in the Character Monologue competition, Pakhi Gurnani (I -C) secured the First Position. In the Puppet Show event, Shravanya Bhardwaj (III-C) Yunay Kumawat (III-E), Priyanshi (II-B) and Mishita Khatwani (III-C) secured the Second Position and were appreciated for their expressive performances.

3. Inter-School Group Dance Competition – 2025

Held at St. Anselm's Pink City, Malviya Nagar

Our school dance team won the Second Position and was awarded a trophy and a cash prize of ₹7,000 for their energetic and well-coordinated performance.

4. Inter-School Hindi Debate Competition – 2025 Held at St. Anselm's, Mansarovar, Jaipur Nandini (Class XI F) and Prakhar (Class IX E) secured the Third Position and were awarded a trophy and a cash prize of ₹5,000 for their impressive debating skills.

5. Inter-School Science Competition – “Brainiacs – 2025” Held at St. Xavier's School, Nevta Aditya Sharma (Class XII B), Sarthak Chaturvedi (Class XI C), Shashank (Class XI A), and Rudransh Sharma (Class X C) participated and secured the Second Position. They were awarded medals and certificates.

6. Inter-School English Debate Competition – “Echoes of Eloquence” Held at St. Anselm's, Alwar Shashank (Class XI A), Nandini (Class XI F), and Shashwat (Class XI D) secured the Second Position and were awarded a trophy and a cash prize of ₹5,000.

- **IGNITING THE SPARK: ENHANCING EDUCATION THROUGH ART**

A Seminar on ‘Learning Through Art Integration’ was conducted for the primary and middle school teachers of St. Anselm's Pink City School on the 26th April, 2025. The Resource persons were: Ms Rukmani Hazari (HOD English, Dharav High school) and Ms Shruti Raha (PGT English, Dharav High School).

It was an invigorating session that drew in the best from the participants as well as from the resources. The speaker highlighted the importance of experiential learning in today's education system. Ms Rukmani Hazari emphasized how integrating visual arts, music and drama into subjects like Mathematics, Science and Languages can enhance understanding, memory and create a joyful environment in the classroom.

The participants imbibed the importance of creating an environment co-existing of fun and knowledge so that the child feels no stress during the learning process!!

Overall, it was a mutually satisfying and fulfilling session that had a huge carry over for everyone involved.

- **Capacity building seminar for teachers 2025-26 Refining the Art of Teaching**

“Develop a passion for learning. If you do, you will never cease to grow.” This quote by Anthony J.D’Angelo beautifully emphasizes that one should never stop learning if they wish to grow.

In this context, a three-day seminar was organized by the Gyandeeep Education Society under the able guidance of Fr. Thomas Maniparambil (Honorable Secretary, Gyandeeep Education Society) from 25th to 27th June 2025. Total 12 schools of St. Anselm’s fraternity across Rajasthan participated in this seminar.

The seminar was conducted in three phases:

**On day one**, the seminar was attended by teachers of classes 3 to 8. The Resource person, Mr. George Thomas, focused on the importance of teaching through worksheet and preparing effective worksheet.

**On day two**, the seminar was organized for teachers teaching classes LKG to II. The Resource person, Mrs. Abha Arora, emphasized the outcomes of effective worksheet usage.

**Day three** was dedicated to teachers of classes 9 to 12. The session was led by Mr. Ashish Arora, Chief Academic Officer, Narayana Educational Institutions and Mrs. Anuja Arora, who spoke about the essential qualities of teachers, understanding the psychology of students and parents and addressed competitive preparation and the challenges students face from a competitive perspective.

The three-day seminar was an eye-opener and an enriching experience for all the teachers. It helped them to broaden their horizons of knowledge and understanding.

- **ACTIVE LEARNING IN ACTION**

A seminar on Active Learning was organised by the C.B.S.E for the secondary and senior secondary teachers of the school on 3<sup>rd</sup> January, 2026. The seminar aimed at strengthening learner-centred teaching practices and enhancing classroom engagement.

The resource persons for the seminar were Mr Ashok Kumar Sharma, Principal, DAV Centenary School, Jaipur and Mr Anil Kumar Sharma, HOD Physics, DAV Centenary School, Jaipur. They highlighted the importance of active learning strategies that promote critical learning, collaboration and creativity. Teachers actively participated in discussions and activities, making the session engaging and enriching.

The seminar proved to be informative and empowering, encouraging teachers to adopt innovative methodologies to make teaching and learning meaningful.
